

Perfect Connect – Perfect Value

Company Profile 2026

Our Values

Quality Commitment

Delivering durable and comfortable cushion solutions through premium materials, skilled craftsmanship, and strict quality control.

Flexible Manufacturing

Providing customized designs, material options, and production solutions to meet diverse customer and market requirements

Reliable Partnership

Building long-term relationships through competitive pricing, consistent quality, and on-time delivery.

Quality *You Can Trust*

Founded in 2006, Ngoc Phuc Cushion Co., Ltd. is a leading Vietnamese Manufacturer specializing in High-quality Indoor and Outdoor Cushions, Covers, and Soft furnishings for the Global Furniture Industry.

Our product range includes Cushions for Chairs, Sofas, Benches, Sun loungers, Gazebos, Parasols, and Decorative Pillows, with flexible material solutions such as Olefin, Polyester, Sunbrella, Textilene, Foam, and Fiber. We also offer waterproof and fire-resistant products tailored to customers' specific designs and technical requirements.

With 3 manufacturing facilities and production capacity of 30-40 containers per month, Ngoc Phuc proudly supplies International Furniture manufacturers and partners across Europe, Australia, and the United States. Our factory is BSCI certified and our products meet OEKO-TEX standards, ensuring consistent quality, competitive pricing, and reliable delivery.
