

OUTDOOR FURNITURE CATALOGUE 2026

About us

Sai Gon Wicker specializes in outdoor furniture made from aluminum, steel, wicker, rope, wood, and cushions, designed for durability, comfort, and modern appeal.

Founded in 2020, Sai Gon Wicker builds on nearly 20 years of outdoor cushion manufacturing experience from Ngoc Phuc. They specialize in producing and exporting premium outdoor furniture, ensuring durability, comfort, and modern style using high-quality materials like aluminum, steel, wicker, rope, wood, and cushions. Committed to quality, safety, and affordability, they aim to exceed customer expectations and offer bespoke design services to realize unique outdoor furniture visions.
